## Certificate

We confirm that you have participated in the survey for CD transferrin in serum.

You have met the requirements of the survey for the following analytes:

CDT rel., total (3) | Disialo-transferrin (3) | Judgement (3)

This certificate is valid until the end of March 2019.

The number in parentheses characterizes the analytical method used.

The assignment of the number to the respective method and/or the respective instrument is to be taken from the total evaluation.
